

CANDIDATE GUIDE FOR COUNCIL

HOW TO CREATE A NOMINATION PETITION ONLINE

Candidates running for Councilmember in the City of Scottsdale may collect up to 110% of their required nomination petition signatures through the E-Qual system. E-Qual enables eligible voters to electronically sign these petitions. The Arizona Online Petition Portal allows candidates to create and manage their online nomination petitions for elections by participating jurisdictions. The use of this system is authorized by [Arizona Revised Statutes § 16-317 \(A\)](#).

In addition to electronic petitions, paper petitions will still be accepted and are encouraged as a supplement to the online signatures for the purpose of building a cushion. When circulating petitions in hard copy, please make sure the information on the paper forms matches the information on the electronic forms.

Before any signature is collected, a Statement of Interest form must be filed with the City of Scottsdale City Clerk's Office.

For candidates who do not wish to use the E-Qual system, the existing hard copy nomination petition process can still be used as an alternate option.

Please contact the Scottsdale City Clerk's Office at 480-312-2411 or blane@scottsdaleaz.gov with any questions.

Important Reminders for Candidates:

1. When typing your name into the "Candidate Name" field, type your name as you would like to see it appear on the ballot. Make sure the address you enter matches the address found on your paper petitions.
2. Review the information entered carefully before creating a new petition. Once a petition is created, the information cannot be modified. If changes are needed, the petition would need to be voided (releasing any signatures collected to that point) or closed, and a new petition created. Before voiding a petition, it is recommended that you download and save a copy of the file that notes the individuals that have signed the impacted petition. This can assist you in contacting voters and asking they sign your new petition once available.
3. Per ARS 16-317, candidates can collect up to 110% of the minimum number of signatures needed to be placed on the ballot for the respective office using E-QUAL (1,100 signatures for Mayor or Councilmember).
4. Additional hard-copy petition sheets with signatures can be submitted to the City Clerk's Office to supplement your online petition. Sample petition sheets for hard-copy circulation can be found online in our [Campaign Forms](#). If you plan to circulate petitions in hard copy to supplement your online petition, please make sure the information on the paper forms matches the information on the electronic forms.
5. Please contact the Scottsdale City Clerk's Office with any questions at 480-312-2411 or blane@scottsdaleaz.gov.

HOW TO VOID A PETITION

1. UNDERSTAND WHAT VOIDING A PETITION MEANS

You can void an open petition, but you cannot void one once it has been closed or filed. Voiding a petition releases any signatures collected and cannot be undone. If the petition was created for the wrong office or jurisdiction, the candidate would want to void it. If the candidate decides not to run, they can void their petition which would allow voters to sign another candidate's petition. Before voiding, it is recommended that you download a file of voters who signed the petition. The last page of this guide has instructions on how to download voter information. This file will include email addresses of any voter who provided it, allowing you to contact the voter if you wanted them to sign a newly created petition.
