Scottsdale, Arizona  
October 31, 1958

TO - THE COMMON COUNCIL OF THE TOWN OF SCOTTSDALE:-

We have examined the books and records of the Town of Scottsdale for the year ending June 30, 1958, and attach hereto our schedules, statements, and reports.

We found the books of the Clerk's office in good condition and now reflect a true picture of the financial condition of the Town of Scottsdale.

We examined and checked the books of the Thunderbird Housing, report of which is attached hereto.

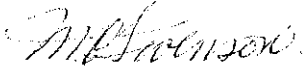

We examined and checked the books of the Magistrate's office, report of which is attached hereto.

We also examined and checked the books of the Scottsdale Sanitary Sewer Improvement, report of which is attached hereto.

Our examinations were made in accordance with regularly accepted auditing standards and accordingly included such tests of accounting records and such other auditing procedures as we considered necessary in the circumstances.

Respectfully submitted,

SWENSON & SWENSON, Accountants

MAGISTRATE AUDIT. (Continued) JUNE 30, 1958.

ERRORS & CONDITIONS FOUND.

No monthly totals of Receipt Column shown on Cash Journal. No deposits or balances shown on Check Book stubs. February 3, 1958 Affidavit on back of Magistrates Report to the Town Clerk was not signed by the Magistrate.

We spent approximately 14 hours on book work that should have been done by the Magistrate or his clerk.

The Magistrate requests some office equipment such as a typewriter, adding machine, and filing cabinet. He reports that he is now using County equipment. He definitely needs a filing cabinet as we found dockets and citations in many different places.

A copy of the Citations, after it has been completely processed, should be filed in numerical order for the Town Marshal's future reference.

We were unable to locate the Bank of Douglas, August statement and canceled checks. A duplicate statement was requested and received. Same found to be correct and as follows:

TOWN OF SCOTTSDALE.

REMARKS.

JUNE 30, 1958.

The Town Clerk should have a full time competent accountant. We spent many hours on bookkeeping and accounting work that should have been done by and in the Town Clerk's office. It is very evident that the Town Clerk's time is taken up entirely meeting and waiting on the public, and attending many meetings she must and should attend.

The Town Clerk's permit book was checked, but no trial balance taken as receipts were properly entered into the Cash Journal.

Under the Option Payment report there is a payment of \$6,852.48 to Walker McCune. A rental, lease or option agreement between Walker McCune and the Town of Scottsdale is evident. However no agreement is on file with the Town Clerk showing amount of Principle, rate of interest payable and etc.

The Garbage Service revenue account shows no revenue due to the fact that a contract has not been renewed with the Garbage Service Company who was paying \$100 per month for the franchise.

We have done all the bookkeeping and accounting for the Scottsdale Sanitary Sewer Improvement to July 1, 1958. We closed the books, then all bookkeeping and accounting was done by us to October 31, 1958. We made an audit up to and including June 30, 1958, and took a Trial Balance as of October 31, 1958.
