The Scottsdale Senior Services variety talent show is held in the Virginia G. Piper Theater at Scottsdale Center for the Performing Arts. Over 300 seniors from around the community attend this annual senior talent show featuring singing, dancing, and various other acts. This year, we will be expanding participation to the local Scottsdale community in hopes to bring higher attendance and awareness to senior services.

THE 40TH ANNUAL ARTS AND CRAFTS FAIR

Nov. 2025

The tradition began in 1983 at the Civic Center Senior Center, which was the City of Scottsdale's original senior center in downtown Scottsdale. At the time, the purpose of the event was to provide an opportunity for local seniors who were taking art classes at the relatively new facility to showcase their artwork. Over the past 36 years the fair has evolved into a large community event, with over 150 art vendors who sell a wide range of original artwork, jewelry, photography, glass and iron work, clothing and much more. The combination of high quality original art and hand-made crafts make the Arts & Crafts Fair a terrific shopping experience where gems await around every corner. The event features artwork for any budget, with treasures available for as little as \$1.

Although the focus of our fair continues to be great, well priced art, a variety of other activities and entertainment make the event a phenomenal family affair. This year's event will feature a terrific line-up of local acoustic jazz entertainment, art demonstrations, food and free children's art activities. Past Arts & Crafts Fair have drawn over 3,500 attendees.
